

Poland

Hunting in Poland is deeply rooted in traditions. The natural environment is excellent for big game hunting. Poland's hunting grounds

are divided into 5250 hunting territories with a minimum of 7500 unfenced acres across the Polish countryside. Hunting in Poland is relatively inexpensive and provides an exciting hunting experience.

Amazing dense populations of roebucks are

abundant! Poland is a top destination in all of Europe for red stag, wild boar, wiset (European Bison) and mouflon!
