Not Included: Transportation to Whitehorse, Yukon, early departure fee of \$2,500, additional game handling fees for animals \$900 per animal, Government Royalty Fee for Grizzly \$500.

Nine Day Yukon Moose Hunt for One Hunter. Located in Canada's Yukon Territory, which is home to some of the most abundant big game found in the Yukon. Hunting exclusively in the #20 outfitting area, the largest concession in the Yukon – it is located in south-central Yukon, northeast of Whitehorse and covers approximately 14 million acres or 21,600 square miles of wilderness hunting ground. The camps are remote and accessible only by plane or horseback. Millions of acres have never been touched, leaving the landscape, game and genetics much the way they were 50 years ago. The terrain varies from scenic rugged mountains, giant vast plateaus, willow covered valleys and 100s of miles of rivers with countless lakes, including the mountain ranges of the Cassiar Mountains, Pelly Mountain and the Cambell Mountain Range with the highest peak being 7700 feet. Most of the hunting will take place between 300 and 6000 feet.

Included is 1 X 1 Guiding, all field transportation, field preparation of trophy, meals, lodging. 2018 Dates ONLY September 13 to 21st. Hunter may take a black bear or wolf for no charge.
