**NOTES:** \* The camp altitude is approx. 4'200 meters (approx. 14'000 feet);  
\*\* Hunt for Ibex is allowed solely after successful extraction of Marco Polo.  
\*\*\* In most cases, we have been successful in expedited processing of all post-hunting and trophy export documents, so our hunters were able to take their trophies along on the plane as luggage. However, on certain occasions post-hunting and trophy export paperwork can take more time. If it happens, the hunter will be requested to leave the trophy(ies) in Tajikistan. The trophy(ies) will receive basic conservation treatment and will be sent to the hunter's designated Customs broker through a cargo or express mail service with a full set of documents. This will be invoiced at the costs referred in our relevant "Table of extra expenses".
