June 2018

Volume 6.2

### Summer is Officially Here!

Are your bags packed, rifles sited in and tickets purchased? So many of the LWS clients are eagerly watching the calendar for their upcoming hunts. There is still time for you to get on a plane this year.

LWS Clients have just returned from British Columbia, Russia, Argentina, South Africa, New Zealand, Mexico and so many more are setting off to South Africa, Tanzania, Argentina, Zambia, Russia, Yukon, California and many other destinations around the globe!

The hunting season is in full swing, make sure you get your HUNT on! Contact us today!

- Jay, Cyndy & Tommy

**Link's Wild Safaris has a hunting opportunity to fit everyone's needs and desires! Check out some of the great opportunities below.**

## **2019 Russian Brown Bear**

# **\$ 14,900**

**Link's Wild Safaris & Denny Geurink's Outdoor Adventures Exclusive!**

**Hunt with the Number 1 Brown Bear Company in the World!**

DGOA & LWS has been hunting Russian Brown Bear for the past 2 Decades in the Kamchatka Peninsula, in the far east of Russia. When you hunt with DGOA & LWS, we help you with every step of the process. Our partners in Russia meet you in Moscow, assist with firearm clearance, provide necessary organization in Moscow and coordinate flights to Petropavlovsk. Our Spring Hunts are rugged, exciting and the trophies very rewarding!

Included: 1 X 1 Professional guide service, license, tag fees, cities permit, vet certificate, interpreters, transportation to camp, meals and lodging during the hunt. Not Included: International flights from US to Moscow, lodging and meals before or after the hunt, final trophy preparation and shipment of trophy to final destination, personal expenses and tips and gratuities.

# Join Jay on a Hosted HUNT, this fall!

## ANTICOSTI ISLAND WHITETAIL DEER

**\$4,995 Per Hunter**

**HOSTED HUNT!**

Limited Spots Available on this Jay Link Hosted Hunt!

Hunt November 5-11, 2018

The deer of Anticosti Island are the most northeastern white-tail deer of North America. Their field dressed weight is on average between 140 and 160 pounds. A standard bucks antler would consist of 8 points with an antler width of between 16 and 18 inches. We harvest many deer that exceed the islands averages every year. Each hunter is allowed 2 deer - buck or doe. Anticosti island sits astride the St. Lawrence River in the gulf of St. Lawrence, in Quebec Canada. The 20th largest island in Canada is 135 miles long and between 10 and 30 miles wide. The Island is a Provincial Wildlife Reserve. Both Boone and Crockett & SCI list the Anticosti Whitetail Deer as a distinct sub-

Included: All meals, accommodations, charter from Mirabel to Anticosti Island, transportation to and from airport, house keeping, Guiding and packing of deer for the return trip.

Not Included: Tags - \$360 for 2 Deer, Transportation to Montreal, lodging before or after hunt, shipping of trophy to final destination.

species. The #1 SCI Record book Buck scored 145 5/8 and was harvested during the 2008 season

**Minong, Wisconsin, USA 54859**

Mr. Jay Link will personally be on this hunt! Come and hunt on the beautiful Anticosti Island! Harvest two deer! The Anticosti Whitetail Deer is a distinct sub-species and counts for the Whitetail Slam! Only 4 spots remain - contact us today!

## HUNT THE YUKON IN 2018!

## YUKON MOOSE HUNT!

### All in \$21,000

Included: License tags, Charter, GST Tax, Game Handling Fee, Government Royalty Fee for moose, and NRHF \$300,

Not Included: Transportation to Whitehorse, Yukon, early departure fee of \$2,500, additional game handling fees for animals \$900 per animal, Government Royalty Fee for Grizzly \$500.

Nine Day Yukon Moose Hunt for One Hunter. Located in Canada's Yukon Territory, which is home to some of the most abundant big game found in the Yukon. Hunting exclusively in the #20 outfitting area, the largest concession in the Yukon – it is located in south-central Yukon, northeast of Whitehorse and covers approximately 14 million acres or 21,600 square miles of wilderness hunting ground. The camps are remote and accessible only by plane or horseback. Millions of acres have never been touched, leaving the landscape, game and genetics much the way they were 50 years ago. The terrains vary from scenic rugged mountains, giant vast plateaus, willow covered valleys and 100s of miles of rivers with countless lakes, including the mountain ranges of the Cassiar Mountains, Pelly Mountain and the Cambell Mountain Range with the highest peak being 7700 feet. Most of the hunting will take place between 300 and 6000 feet.

Included is 1 X 1 Guiding, all field transportation, field preparation of trophy, meals, lodging. 2018 Dates ONLY September 13 to 21<sup>st</sup>. Hunter may take a black bear or wolf for no charge.
